

# Therapeutic Guidelines

Clinical Guidelines; topics; treatment advice; drug specific resources

## Option 1

### On a THS Desktop

- Open EPOCH: [epoch.health.tas.gov.au/](http://epoch.health.tas.gov.au/)
- Click the **Therapeutic Guidelines** icon under **Quick Links**:

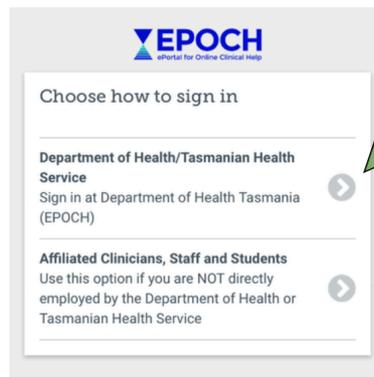

## Option 2

### On any device not connected to staff wifi

#### Mobile phone or Laptop:

- Open EPOCH on your device. You may be asked to log-in using Departmental credentials: work email & password; & MFA.

THS, DOH & Ambulance staff choose 'Department of Health/Tasmanian Health Service' & use your work email & password to log-in.

All others use the 'Affiliated...' option & the email & password that you registered for EPOCH with.

- Click the **Therapeutic Guidelines** icon under **Quick Links**.

## Option 3

### Using the Therapeutic Guidelines mobile app (Access Key required):

- **On your phone or tablet:**
- Open EPOCH: [epoch.health.tas.gov.au/](http://epoch.health.tas.gov.au/)
- Click the **Therapeutic Guidelines** icon under **Quick Links**:  
(You may be asked to log-in - see EPOCH login info in *Option 2* above)

- Click on the **My Account** icon in the top right corner

- Click on Copy Access Key

Copy Access Key

- Download the Therapeutic Guidelines app from your App Store.

- Open, and choose **Access Key**.

- "Paste" in the copied Access Key.
