

Categories

Submissions can be made to present in one of three categories, based on the project stage:

- **Early Stage** Research concept through to early data collection
- **Mid Stage** Data collection through to early analysis
- **Late Stage** Data analysis/findings through to publication/implementation

The project does not need to be complete for your submission to be accepted. Presentation at all stages of research is encouraged.

Eligibility

The project must have at least one investigator who is a THS Hospitals South employee.

One presenter only, who must be a THS Hospitals South employee.

The project must have ethics approval or a plan to submit for ethics approval (for Early Stage).

Presentation Format

- No more than 3 slides
- No more than 5 minutes
- Presentation will be via Teams
